Dear Parent (Nursery -Grade VII)

Greetings to you!

Shishya BEML Public School is approaching the end of yet another academic year. While thanking the Almighty for his divine strength during this time of pandemic in all that the school has involved in, we also extend our heartfelt gratitude to you dear parents. We have had an enriching and encouraging year that has gone by and all this has been possible with your encouragement, co- operation and support. We are confident and take pride in admitting that there has been a lot of learning that our children have gained in the past one year and we are keen on enabling this learningcurve grow in the years to come.

Just to give you a quick brief of the achievements that we have had in the past academic year as a part of our learning support to our children, we have moved ahead and despite the changed scenario, we introduced new activities like Robotics for the children (from Grade III onwards) and ensured student participation in competitions and events to commemorate special days. A documented version of this has been shared with you through the Vidyalaya App / Whatsapp messages.

Assessments have been an integral part of our learning system. Assessing the child frequently as and when a new concept is introduced is an ongoing process at School. Annual assessments are in progress according to the schedule shared and will culminate by 10th April 2021.
